BIO

Born and raised in the San Fernando Valley, I received my BFA in printmaking and painting at the School of the Art Institute of Chicago in 2017. In 2018, I received a Fulbright Austria Research Grant to work with the Jewish Museum Vienna's Schlaff Collection of antisemitic postcards. As a result of this research, I exhibited in solo exhibitions at Vienna's MuseumsQuartier and Improper Walls Gallery. My work has been exhibited in Austria, Germany, and several states across the USA. I've been included in group exhibitions at the Jewish Museum Maryland, the McDonough Museum of Art, the Miller Institute for Contemporary Art and the Art Institute of Chicago. My recent work has been exhibited in solo exhibitions at PCC Gallery in Pittsburgh, Arts Fort Worth, and at a solo booth at NADA New York with here Gallery. In 2023 I graduated with my MFA at Carnegie Mellon University and I am currently based in Pittsburgh, PA.
